SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. § 1.97(c)

Listed on the accompanying form PTO-1449 and enclosed herewith are several English-language documents. Applicants respectfully request that these documents be listed as references cited on the issued patent. This Information Disclosure Statement (IDS) is being mailed before Applicants received a final action, a notice of allowance, or an action that otherwise closes prosecution in the referenced application.

The Applicants note that the applications in the following list, which includes the referenced application, relate to different aspects of audio encoding, decoding and/or post-processing that use, for example, a linear prediction approach. The applications in the list are assigned to Microsoft Corporation, in some instances have one or more inventors in common, in some instances arose out of the same development work, and in some instances have overlapping language in the specification and/or claims.
